PUBLISHED v2 (2026-10-18) — published on lixtara.com by owner decision before attorney review; decisions made without counsel are listed in the memo (docs/legal/2026-10-18-textos-v2-memo.md)

E-SIGN notice and consent (listing flow, step 7)

Version 2026-10-18-v2 · shown before the seller opens DocuSign; the server requires the checkbox and records date, IP, user agent, version and SHA-256 of this exact text (terms_acceptances). v2 change: “at any time before signing” → “at any time”.

English

You'll sign the listing agreement and related documents electronically through DocuSign. Before you continue:

Your electronic signature has the same effect as a handwritten one. You can ask for a paper copy of any signed document at no cost by writing to support@lixtara.com.

You can withdraw this consent at any time by writing to the same address; we'll then arrange paper signing, which may delay your listing. Withdrawing doesn't affect documents you already signed.

You'll need a device with an up-to-date web browser, an internet connection, a valid email address and a way to view and save PDF files. Keep your email address up to date in your account.

□ I agree to receive and sign these documents electronically.

Español (shown to Spanish-language users; informal “tú”, like the rest of the seller flow)

Firmarás el acuerdo de listado y los documentos relacionados de forma electrónica, a través de DocuSign. Antes de continuar:

Tu firma electrónica tiene el mismo efecto que una firma a mano. Puedes pedir una copia en papel de cualquier documento firmado, sin costo, escribiendo a support@lixtara.com.

Puedes retirar este consentimiento en cualquier momento escribiendo a la misma dirección; en ese caso coordinaremos la firma en papel, lo que puede retrasar tu listado. Retirarlo no afecta los documentos que ya firmaste.

Necesitas un dispositivo con un navegador web actualizado, conexión a internet, un correo electrónico válido y una forma de ver y guardar archivos PDF. Mantén tu correo actualizado en tu cuenta.

□ Acepto recibir y firmar estos documentos de forma electrónica.
